**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a SONIC user. Sonic residential subscribers would be "materially affected". without access to UNE services. My service provider, Sonic, wouldnt have been able to connect consumers while building fiber networks, nor fund the construction of our fiber networks. And once fiber networks are built, UNEs are still used they connect from city to city and are the key backhaul for all Sonic's fiber networks.

Please do not take SONIC away from me. It has been far superior to AT&T, which was my former provider and which was slow, unresponsive to problems, and had terrible customer service.

SONIC also provides my long distance and landline service.

Please make sure they can continue providing service to me and thousands of others.
